

Compassion in Action

ANNUAL ADOPT-A-CHILD EVENT

PROJECT OVERVIEW

Adopt-A-Child serves families just keeping their heads above water despite housing, transportation, child care, and health care costs; caregivers struggling to hold it all together for their little ones as they overcome mental health or substance use issues; and children in foster care who worry they may have no gifts to open this year.

Information is provided by the caregiver and the child's clinician is used to create a custom gift list. Items range from clothing and necessities to toys and books. Each gift is wrapped before being given to the family for opening on the holiday.

OUR MISSION

CNS Healthcare provides essential services and support to those affected by mental illness, substance use, intellectual / developmental disabilities, and emotional disorders.

We are committed to advancing integrated mental and physical healthcare and eliminating stigma through advocacy, education, and community outreach. We empower all children and adults served to become active and productive members of their communities..

TRANSFORM YOUR COMPASSION INTO ACTION

By supporting CNS' efforts, you can make a major impact on the lives of children. Imagine unhappy and sad feelings caused by seeing the pictures and commercials of happy families with piles of presents when you know your family cannot afford it. Change that imagine to a child opening gifts on the holiday, inspiring joy and an understanding that people care.

"Adopting" or sponsoring a disadvantaged child or family over the holidays can inspire a sense of giving in children. Kindness is a learned behavior and events like this can inspire children to be kind to others.

THANK YOU

Thank you for taking the time to consider CNS Healthcare's Compassion in Action program for your annual funding.

If you have any questions or suggestions regarding the Adopt-A-Child Event, our other Compassion in Action events, or other ways to support CNS Healthcare, please contact our Fund Development and Grants Coordinator at MarketingFD@cnshealthcare.org.

Your community connection to wellness.
