

# Compassion in Action

## ANNUAL TURKEY GIVEAWAY EVENT

### PROJECT OVERVIEW

Now in our 10th year of the Annual Turkey Giveaway, CNS is proud to state that we have helped bring Thanksgiving Dinner to 8,000+ families in the Metro Detroit area.

The holiday season is a magical time - the energy of excitement around giving and the anticipation of getting together with loved ones to eat delicious holiday treats.

Unfortunately, many families face a huge economic burden during the holidays, and stress related to food insecurity can get in the way of enjoying the holiday season. These financial burdens have ripple effects on what families can afford to eat, and influence both immediate and long term health.

### OUR MISSION

CNS Healthcare provides essential services and support to those affected by mental illness, substance use, intellectual / developmental disabilities, and emotional disorders.

We are committed to advancing integrated mental and physical healthcare and eliminating stigma through advocacy, education, and community outreach. We empower all children and adults served to become active and productive members of their communities.

### TRANSFORM YOUR COMPASSION INTO ACTION

By partnering with CNS, you can help battle food insecurity! With your help, CNS can continue to provide turkeys and grocery gift cards for traditional side dishes.

The holidays are a time to reflect on what we are thankful for and a perfect time to share compassion with our neighbors. We want our community to know that we care about them, not just by our words, but also through our actions.

Transform your compassion into action and help CNS relieve hunger and increase holiday joy in the Metro Detroit area.

### THANK YOU

Thank you for taking the time to consider CNS Healthcare's Compassion in Action program for your annual funding.
