

Compassion in Action

ANNUAL HOMELESS RESOURCE EVENT

PROJECT OVERVIEW

CNS Healthcare and its Crisis Intervention Team (CIT), in collaboration with community partners and social service agencies, host this annual resource event. The event supports equitable access to medical, dental, and behavioral health care and includes health screenings and benefit registration. Over the last 10 years, we have been able to reach 5000+ homeless individuals in the Detroit Area.

Through this event, Detroit's homeless population is provided with the basic necessities of everyday life such as food, warm clothing, coats, hats, gloves, and hygiene kits. In addition to these items, CIT also provides onsite services, such as applying for cash assistance, Medicaid and State Emergency Relief Assistance. Individuals can also get employment services through Goodwill Industries and Salvation Army.

OUR MISSION

CNS Healthcare provides essential services and support to those affected by mental illness, substance use, intellectual / developmental disabilities, and emotional disorders.

We are committed to advancing integrated mental and physical health care and eliminating stigma through advocacy, education, and community outreach. We empower all children and adults served to become active and productive members of their communities.

TRANSFORM YOUR COMPASSION INTO ACTION

By supporting CNS' efforts, you can make a major impact on the lives of homeless individuals in Detroit. We need your help to provide essential outreach to veteran's, families, teens, and the elderly who find themselves without shelter.

COVID-19 stresses have increased the homeless rates by ~2% each year, making it even more critical that you transform your compassion into action.

THANK YOU

Thank you for taking the time to consider CNS Healthcare's Compassion in Action program for your annual funding.
