

CNS Healthcare is Your Community Connection to Wellness

OVERVIEW

CNS Healthcare provides essential services and support to those affected by mental illness, substance use, intellectual / developmental disabilities, and emotional disorders.

We are committed to advancing integrated mental and physical healthcare and eliminating stigma through advocacy, education, and community outreach. We empower all children and adults served to become active and productive members of their communities.

Focusing on the Six Dimensions of Wellness:

- Physical
- Emotional
- Intellectual
- Social
- Spiritual
- Environmental

DIRECT SERVICES

Mental health, substance use disorder, and integrated care services for children (ages 0 - 17) and adults.

COMPASSION IN ACTION

CNS hosts events providing human connection and much needed resources to increase self worth and self determination.

COMMUNITY INTEGRATION

Partnerships with other organizations, including events and care coordination to support all aspects of a persons life.

ADVOCACY

Federal, state, and local work to end the stigma of seeking services and improve mental health parity.
