ANNUAL WARM COATS GIVEAWAY

PROJECT OVERVIEW

At CNS Healthcare, we know that warmth is created in more than one way... A warm coat brings physical warmth, the gift of community brings warmth to our spirits. The knowledge that someone cares brings warmth to the heart.

Families of children served through CNS' programs can sign up with to be part of the program.

Through the annual Warm Coats Giveaway CNS has provided 1000+ coats and winter wear to local Detroit low income and underserved families.

OUR MISSION

CNS Healthcare provides essential services and support to those affected by mental illness, substance use, intellectual / developmental disabilities, and emotional disorders.

We are committed to advancing integrated mental and physical healthcare and eliminating stigma through advocacy, education, and community outreach. We empower all children and adults served to become active and productive members of their communities.

TRANSFORM YOUR COMPASSION INTO ACTION

By partnering with CNS, you can help spread the warmth ... in more way than one! With your help, CNS can continue to provide warm coats, hats, and gloves to children and adults in need.

Having a warm coat is an essential need for Michigan winters. For some, it's all the shelter against the cold that they have. We want our community to know that we care about them, not just by our words, but also through our actions.

Transform your compassion into action and help CNS bring warmth to the underserved of Metro Detroit.

THANK YOU

Thank you for taking the time to consider CNS Healthcare's Compassion in Action program for your annual funding.
